This is a fantastic, full-time position for an ambitious, experienced and technically strong individual to join an expanding and progressive organisation. The right candidate will benefit from an attractive salary and benefits package, together with career development opportunities and job security.

OUR COMPANY

McCarrick Construction is an award-winning, family-run construction company with an established workforce and management team who consistently deliver the best places to live and work both within our community and further afield.

The Company has recently celebrated its 65th birthday and has garnered an excellent reputation for our work on large and small projects across the North East for a well-established client base. Our team is therefore of the best calibre and we now want to expand it further as we develop our construction division in line with our continuing long-term growth strategy.

THE ROLE

The Senior Estimator will play a crucial role in supporting the continuous flow of new business through the Company. McCarrick Construction carries out a huge variety of contracts, ranging in value from £25,000 to £5m. The successful candidate will be welcomed into our close-knit and enthusiastic team with opportunities for professional development and to manage their own department.
