Site Manager

Salary £32-£42k + benefits package based on experience/performance

EMPLOYER McCarrick Construction Ltd
LOCATION Chester-le-Street, County Durham

This is a great opportunity for an experienced Site Manager to join our well-established team, managing a variety of exciting commercial, education and healthcare projects in the North East.

We are currently going through a welcome period of growth so the ideal candidate would be able to confidently manage their team from day one. However, we are also happy to consider time-served tradespeople or those currently self-employed and looking for a stable workflow, who are ambitious and keen to undertake further training to make sure they are fully up-to-date for the role.

In other words, if you have the practical talent, on-site experience, an organised, communicative personality and would fit in well with our team, we will do everything we can to support you to succeed as a Site Manager at McCarrick Construction.

OUR COMPANY

McCarrick Construction has been trading for 70 years this May and over the years we have built up an excellent reputation for our work on large and small projects across the North East. Our team is therefore of an excellent calibre and we are delighted to be expanding it in line with our long-term growth strategy.

- Ensure that **highest possible safety standards** are maintained at all times
- Ensure all works are carried out in accordance with method statements and risk assessments
- **Manage the site team** – communicate in a warm and persuasive way, set appropriate goals and proactively support your team to achieve them
- Monitor key programme stages
- Prepare progress reports
- **Plan ahead**, organise material/human resources
- Comply with rules, policies and procedures, **represent the company professionally** at all times and set a positive example to your team
- Provide **high quality customer service** as the main site contact for our clients, subcontractors and the general public

ESSENTIAL REQUIREMENTS

- Experience in similar role
- CSCS, SMSTS, First Aid and Full Driving License
- Technical knowledge of construction operations
- Ability to prioritise workload and deal with change

EQUALITY & DIVERSITY STATEMENT

McCarrick Construction is committed to eliminating discrimination and encouraging diversity amongst our workforce. Our aim is that our workforce will be truly representative of all sections of society and each employee feels respected and able to give of their best. The company will avoid unlawful discrimination in all aspects of employment including recruitment and selection, promotion, transfer, opportunities for training, pay and benefits, other terms of employment, discipline, and selection for redundancy and dismissal.
